VEDA Foundation

5 Years in service to Education

**Rise up through
Education**

5th Anniversary

“The highest education is that which does not merely give us information but makes our life in harmony with all existence.”

-Rabindranath Tagore

What was just an unadorned thought five years ago, rather a collective thought of a group, has finally manifested into VEDA on 12th January – 2012, through the determination of that group of childhood friends.

While it is a still evolving Organization, yet VEDA has been successful in supporting and providing education in the needed areas; not limiting to those, VEDA seeks to reach out to the disadvantaged & needy and it is hopeful to reach out and provide necessary support, to the extent of VEDA's capacity.

In its journey to achieve its objectives, whatever has been attained so far, wouldn't have been possible without the valuable and continuous support of its esteemed donors and well wishers. Team VEDA expresses its gratitude to them for their magnanimity and generosity.

VEDA's ideology is to facilitate the educational needs of the deserving young scholars to help them accomplish their dreams. VEDA has chosen the path of supporting education to its journey that shall bring change in the lives of the needy and the society at large.

VEDA's pursuit is long way ahead; indeed it is very long way to go, in understanding the educational needs, supporting the deserving needy, sharing knowledge & proving guidance, to shape the future scholars, which will eventually help building a better society for the future generations.

VEDA strongly believes that these objectives can be achieved with commitment and determination, when put in practice, which is what VEDA is striving for.

“The education which does not help the common mass of people to equip themselves for the struggle for life, which does not bring out strength of character, a spirit of philanthropy, and the courage of a lion— is it worth of the name? Real education is that which enables one to stand on one's own legs.”

-Swami Vivekananda
